vision

The Islamic Schools' League of America envisions and works towards the day when Islamic schools will be the preferred centers for learning and leadership that nurture and encourage America's youth to develop their innate creativity and inquisitive nature in the pursuance of academic excellence while anchoring their hearts and souls in a moral framework of a God-centered life.

mission

The Islamic Schools' League of America is committed to working in partnership with Muslim educators and Islamic organizations to foster the development and growth of quality education in an Islamic environment for Muslim children, primarily by enhancing the quality of instruction and the stability of school governance structures and finances.

Administrators

Welcome to **your** home on the internet. Grab your coffee, sit back, and relax. The Islamic Schools League of America is here to serve your needs and make your life a little bit easier. Feel free to download what you need and please share what you have.

Scholarships

\$1,600 for each scholarship
7 scholarships given over last two years.

Part II

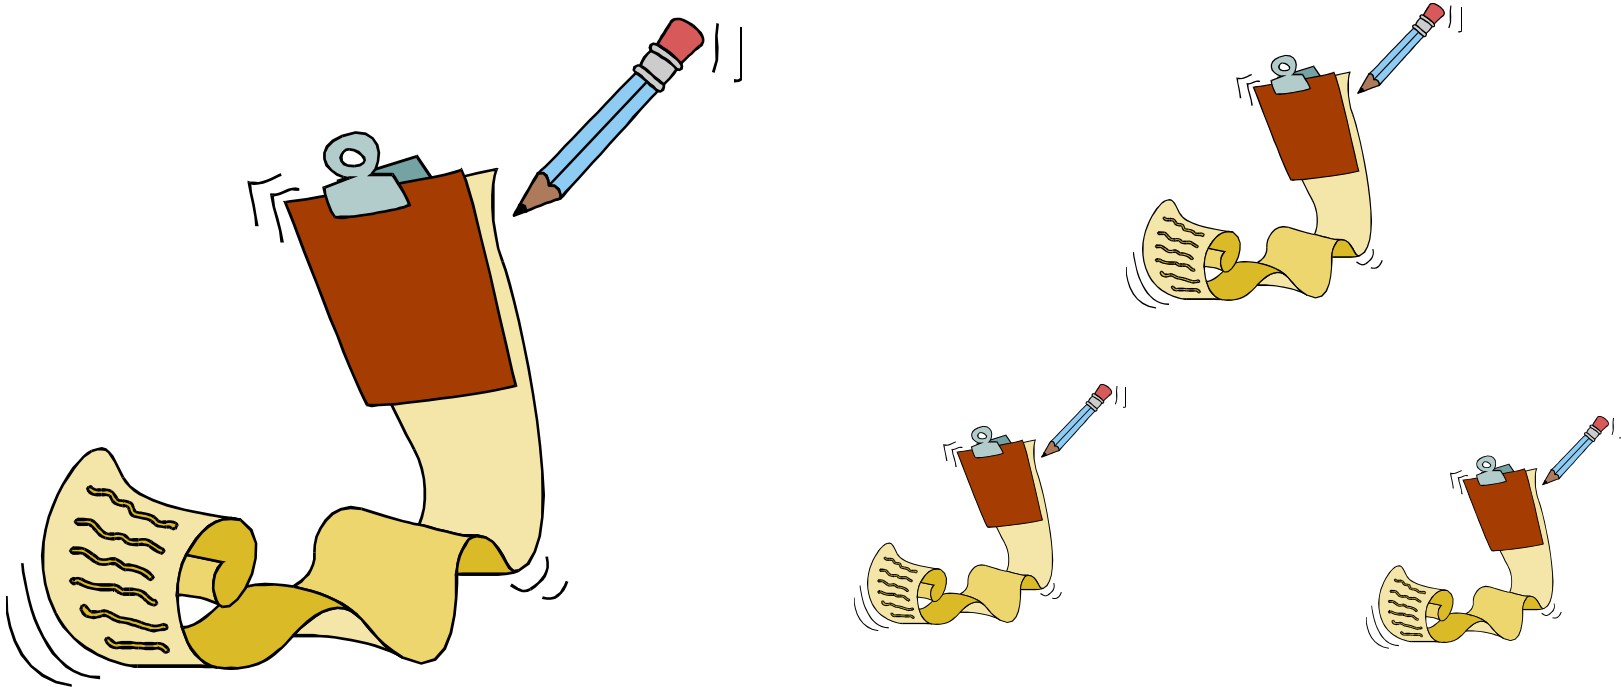

Counting – just how many Islamic schools are there?

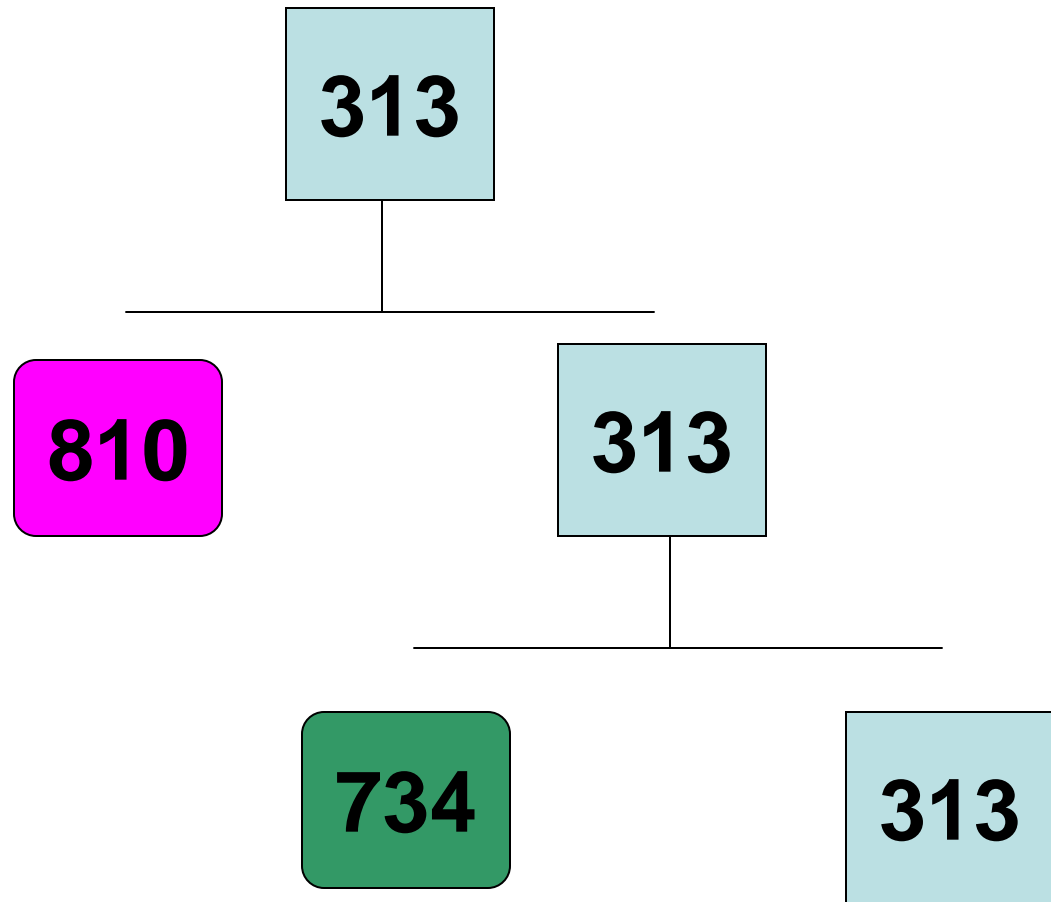

Verifying the Schools

Gathered the lists into one master list

Called the Schools

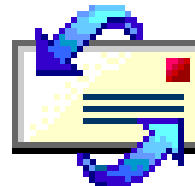

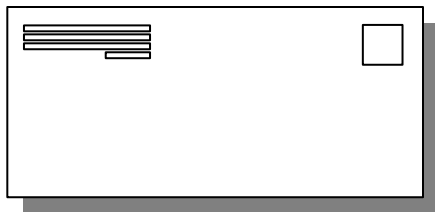

Area codes multiply

Next, we scoured the internet to find more information on each school.

We mailed letters & looked for **Return to Sender**.

Complicating Factors that cause lists to inflate

- Similar name, different address because they grew & moved.
- Spellings of the school names – they are transliterated from Arabic, so the spelling varies: Al-Noor, An Nur, Alnoor.
- Charter schools – Often mistaken for Islamic schools.

There are 235 verified full time
Islamic Schools in the United States
